

Product Discontinuance Notification—PDN# 0000453151

August 21, 2026

Dear Valued Customer,

We would like to inform you that the V2201 Series will reach its End of Life (EoL) phase, starting August 21, 2026.

If you need any of these products for an existing project, please contact your Moxa sales representative to place orders before the **last-buy date of January 31, 2027**. Also, please note that last-buy orders may be subject to availability.

The **End of Service (EoS) date will be January 31, 2033**. Following this date, all support services—including technical assistance, new software upgrades, and new security fixes—will no longer be available. Hardware warranty, repair, and replacement services remain subject to the standard warranty policy for these products.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will reach EoL?

The following products will reach EoL. Also, see the models recommended to replace the soon to-be-EoL models, as well as when the replacement models will be available for order.

EOL	Recommended Replacement	Available for Order
V2201 Series	V2202D Series	September, 2026

Applicable differences in specifications

In the following table, we list the differences in specifications between the EoL products and the recommended replacement products.

Specification	V2201 Series (EoL)	V2202D Series (replacement)
Dimension	150 x 48.8 x 120.2 mm (5.91 x 1.92 x 4.73 in) without ears	150 x 120 x 70 mm (5.91 x 4.73 x 2.95 in) without ears
CPU	Intel Atom® E3815 single-core processor Intel Atom® E3826 dual-core processor Intel Atom® E3845 quad-core processor	Intel Atom® x7433RE quad-core processor

Please note that all service rules (e.g., warranty) still apply to the EoL products.

If you have any questions, please contact your regional sales representative.
