

Product Discontinuance Notification—PDN# 0000452967

August 25, 2026

Dear Valued Customer,

We would like to inform you that the V2406C-KL Series will reach its End of Life (EoL) phase, starting August 25, 2026.

If you need any of these products for an existing project, please contact your Moxa sales representative to place orders before the last-buy date of March 1, 2027. Also, please note that last-buy orders may be subject to availability.

The End of Service (EoS) date will be March 1, 2033. Following this date, all support services—including technical assistance, new software upgrades, and new security fixes—will no longer be available. Hardware warranty, repair, and replacement services remain subject to the standard warranty policy for these products.

Please review the details below to determine how these discontinuances will affect your products and/or operations.

Which products will reach EoL?
